Does filing only apply to certain territory (territories) or certain classes?  
If so, specify: N/A

Brief description of filing. (If filing follows rates of an advisory  
organization, specify organization): See Explanatory Memo

\* Adjusted to reflect all prior rate changes.

\*\* Change in Company's premium level which will  
result from application of new rates.

Note: It is very difficult for Allstate to measure the impact of the change in our rating structure. Under our current rating structure we do not capture all of the data needed to rate a policy under the proposed rating structure. There are also significant coverage changes that are occurring so we are unable to accurately calculate a rate impact to the policyholder. This is why we have indicated n/a.
